

FAQS About MOGS ShopWithScrip Program

It is no secret that all schools must do fundraising in order to fund special programs, supplies, or fill any other needs the school may have.

ShopWithScrip.com is a no-nonsense type of program that allows us to do exactly that - RAISE FUNDS WITHOUT MAKING YOU SPEND MONEY ON ITEMS YOU DON'T NEED.

What is ShopWithScrip.com? It is a company where non-profits (like MOGS) can sell gift cards to its members. Members can purchase gift cards to buy at places where you regularly shop (ie. Safeway, Giant, Whole Foods, Shoppers Food Warehouse, Exxon, Shell, Home Depot, Staples, Best Buy, Red Robin, CPK, Macy's, JC Penney, Sears/Kmart, Walmart/Sam's Club, Panera, and so many more retailers). The gift cards cost members the actual face value -- for example a \$100 Giant gift card costs \$100. The retailers give the School the card at a discount (otherwise known as a rebate). Each retailer sets their own rebate. Rebates range approximately between 1% and 18%. Rebates are credited to each family throughout the year with each purchased card. At the end of the year, the totals of accumulated rebates are taken off your \$600 annual fundraising obligation. It's that easy.
